

REFORMERS ARISE CONFERENCE  
**GENERAL DECLARATION**

I am a proud Nigerian. I have been placed here by God for a time such as this. The degradation, challenges and problems faced by Nigeria are the perfect backdrop for me to develop and utilise my God given potential.

I am a reformer. I will not complain or criticize. Rather, I will use my skills, gifts, relationships, and experience to find long lasting and revolutionary solutions to the many challenges confronting Nigeria.

Nigeria will rise again because I am here. I will leave this Nation a better place than I met it. I will work to make Nigeria a praise on the earth.

So help me God.
